The Power of **YET**

"I don't get it."
"I can't do this."
"This doesn't work."

Take a deep breath. Go for a short stroll. Then add a "yet" to the end of your sentence:

As in:
"I don't get it... yet."
"I can't do this... yet."
"This doesn't work... yet."

It may not be easy, but it doesn't mean you're never going to meet the challenge.

Lost and Found

The "Lost and Found" box in the Junior school is overflowing with unlabelled clothing and other items.

These will be displayed in the foyer for your perusal and acquisition.

Please label the clothing and school items of your child

Clearly by writing the name and surname

On the inside of the school clothes.
