## Senior Sport Ambassador Cup:

### Emily Braune

Emily was part of the Namibian eventing Team who participated in the Eventing Shield Series. The First competition was in Gobabis and the second in Shongweni, South Africa.

The Namibian team was the youngest team, consisting of 4 Child and Junior Riders who were competing against juniors and adults.

Namibia came home with the gold.

An outstanding feat as this was done on borrowed horses which the riders did not know.

*Congratulations!*
