

The International School of Walvis Bay

SCHOOL ANTHEM.

Composer: W Liebenberg
Lyricist: Karen Muller
Piano: V Malherbe

On extensive African shore,
Lies Walvis Bay our ocean door.
Home to our beloved Alma Mater,
The International School.

Teaching for life, supporting our endeavours,
Standing strong and kindling
Radiant, bright futures.

Amid our town's industrious pursuits,
Our respected school nurtures its recruits.
Westward bounded by the fresh Atlantic,
Dune fields eastwards wide and scenic.

Teaching for life, supporting our endeavours,
Standing strong and kindling,
Radiant, bright futures.
